Bama Bounders Gymnastics to host events

Tuscaloosa, Ala., December 1, 2008 – The Bama Bounders Gymnastics Club along with the support of the Tuscaloosa Sports Foundation will host the “Alabama Compulsory State Championship Meet” December 5-7 at the Belk Activity Center. The meet will bring over 750 individual participants and 40 teams to the Tuscaloosa area during a 3 day period. The ACSC brings the top *gymnasts* from Alabama to one location and is a competition that crowns both individual and team champions in five different USA Gymnastics competitive levels.

Bama Bounders President Mike Holdefer says “We are especially pleased that the Alabama USA Gymnastics Board has given us the opportunity to host the first combined state championship meet. I think the combination of the outstanding facility at the Belk Center along with the tremendous support of the Bama Bounders and the TSF made it an easy choice for the State Board.”

The Alabama State Meet is a USA Gymnastics sanctioned event and will have competition in Levels 2 thru 6 and will be the first time all five levels have competed at the same site. USA Gymnastics is the governing body for the sport of gymnastics in the United States.

“ We are excited to return to the Belk Center and help this outstanding organization (Bama Bounders) run another successful event showcasing our community”, said TSF Executive Director Don Staley. “The meet last month (BAMA RAMA) was first class on all levels and we stand ready to help make those in attendance feel welcome during their stay in Tuscaloosa”, said Staley
